Legislative Authorization of Programs

The authorizations for VA's programs are contained in title 38 of the U.S. Code. With the exception of major medical construction projects and certain leases, annual authorization by the legislative committees and the Congress is not required. However, title 38 does provide for certain multiple-year authorizations for specific purposes. The authorization of the following items is limited by title 38 in regard to the time and/or amount as indicated:

¹ A small number of veterans who served in both the World Wars are included only in World War II.

² Included in World War II Total.

³ Included in Korean Conflict Total.

⁴ Included in Vietnam Era Total.

⁵ Included in the total is an indeterminate number of Mexican Border conflict veterans, 14 of whom are receiving benefits as of July 1, 1999.

NOTE: All data have been revised to be consistent with the 1990 Decennial Census. Detail may not add to total shown due to rounding. Data shown are as of April 1, 1990 and July 1, for the years 1991 through 2001. Estimates for 1996 through 2001 are from the most recent projection series developed in 1993. They have been amended to reflect the continuation of the Gulf War era. Earlier projections for Post-Gulf War veterans are now included in the Gulf-War estimates and projections.
